

## Our Wine List

We take significant pride in our wine list, which consists of over 400 selections. Tim Bartlett, our general manager, my wife Vivian and I have invested a great deal of time and effort to provide something for everybody with our wines ranging from affordable and accessible to more sophisticated and often times hard to find.

Cap's has received Wine Spectator magazine's prestigious "Award of Excellence" for five consecutive years. This award recognizes the wide variety of choice plus the fair pricing of our list. Our unique and customer friendly mark up policy is well below what you would normally find in a restaurant and at times even lower than retail prices! So you can afford to drink an "expensive" bottle, or maybe even two. We hope you enjoy your wine experience at Cap's on the Water, and encourage you to be daring and try something new!

Our wine list is categorized first by grape variety, then by price. Most categories feature a "Best Value" selection, pointing out an exceptional pairing of price and quality. Due to our high sales volume, we sometimes run out of certain vintages or selections. Please check the label on the bottle upon presentation. In addition to this list, we often feature wines as "specials", which can be found on the last page of your dinner menu.

When available, we list ratings from Wine Spectator Magazine (WS) and Robert Parker (RP). Although the rating system is no guarantee for good taste, it is best used as a guideline for quality.

Remember, the only thing that matters is your taste and hopefully you will add Cap's on the Water to your list of great wine destinations.

Cin Cin!
