

Our wine list is comprised of over 400 selections from renowned as well as boutique wineries from around the world. We received Wine Spectator magazine's prestigious "Award of Excellence" for the first time in 2006, 2007 and again in 2008.

It is proudly displayed on the first page of this wine list. The magazine recognized the variety of choice and pricing of our wines.

Cap's was listed as inexpensive; meaning our mark up is well below the industry average.

We simply apply a straight mark up of \$20 over cost, which explains our corkage fee of \$20.

As you can tell, drinking an "expensive" wine at Cap's will not break your bank.

Our wine list is presented by grape variety. Most categories feature a "Best Value" selection, pointing out an exceptional pairing of price and quality. Due to our high sales volume, we sometimes run out of certain vintages or selections. Please check the label on the bottle upon presentation.

Most categories have wines listed with ratings behind them. These are our reserve wines.

The "WS" represents the Wine Spectator magazine rating and the "RP" stands for Robert Parker's rating.

Although the rating system is no guarantee for good taste, it is best used as a guideline for quality.

Remember, the only thing that matters is *your* taste.

All our reserve wines are kept at a constant temperature of 59 degrees. Note that none of the reserve wines may be returned, unless corked. Please understand that availability of these wines is limited.

We are proud to offer a varied selection of wines. The great French whites are well represented as well as some of the hard-to-find American wines. The list is well balanced with great champagnes, Australians Shiraz, French Bordeaux, Spanish Reds and another favorite of ours, big Italian Reds.

Enjoy your wine experience at Cap's and because of our pricing, we encourage you to be daring and try something new!

Cin Cin!
